Rule 21 - Credit Information and Calling Records; Release of Information (cont'd)

b. Release of Customer Credit Information and Calling Records

- (1) Upon receipt of a search warrant obtained pursuant to California or federal law, or of a Federal Grand Jury Subpoena or a Federal Agency Subpoena; or
- (2) Upon making return to a subpoena or subpoena duces tecum, when it reasonably appears to the telephone utility that the procedures set out in Code of Civil Procedures Section 1985.3, or successor provisions, as they then exist, have been followed. The utility shall not produce the records if there has not been compliance with CCP Section 1985.3. The utility shall abide by all orders to quash, protective orders, and similar court orders which may be issued with regard to the subpoenaed credit information and calling records.

The certification for nondisclosure must contain a statement that there is sufficient reason to believe that such notification would impede the investigation in which the request is made. Upon making return to the court to a subpoena, the telephone utility shall request instruction from the court whether it should notify the customer of its receipt of the subpoena before divulging the information or records requested.

<u>RULES</u> (cont'd)

Rule 21 - Credit Information and Calling Records; Release of Information (cont'd)

 - (3) Successive new written certifications shall be made by the individual who procured the issuance of the subpoena or warrant or, if that person is unavailable, by another member of the authorized agency who also certifies that he or she has been assigned to handle the matter for which the credit information or calling records has been obtained.
 - (4) Within five working days of the expiration of any outstanding certification, or any renewal of such certification, the deferred notification shall be given in writing to the customer.
- d. Exception to Procedure for Release or Credit and Calling Records
